OVERVIEW

ISAB is a top private institution in India dedicated to supporting the complete academic journey in food and agribusiness. It provides admission guidance, quality training, global exposure, and placement support. Through partnerships with universities, ISAB helps students build strong careers in agriculture, food, and related sectors.

Backed by 300+ agribusiness companies, it ensures industry-relevant education. A panel of 50+ experts—including corporate leaders, academics, and entrepreneurs—conducts sessions on professional skills, innovation, entrepreneurship, and industry trends.

ISAB, Greater Noida, proudly announces the successful completion of the Internship Drive for the 2024-26 batch. Every student from the batch has secured internships with esteemed organizations across the agriculture and allied sectors. This year's drive witnessed participation from 35 reputed companies, including 19 new recruiters, reflecting growing industry trust in ISAB's talent.

Students were offered diverse roles ranging from Research Analysts and Sales Executives to operational roles in sectors such as Agri-Input, FMCG, and more. The internships, spanning 2 to 3 months, represent a major milestone—made possible by the relentless efforts of the Placement Cell and the collective support of the entire ISAB fraternity, guided by the leadership of ISAB's senior management.

With a clear mission and a focused vision, ISAB continues to achieve remarkable milestones year after year. Backed by a legacy of over 6 years, the institution remains dedicated to providing quality education and consistently delivering industry-ready professionals to the market.

FROM THE FOUNDER

As the global population moves steadily toward 10 billion by 2050, the need for resilient agricultural systems, sustainable production models, and advanced food processing capabilities has never been more pressing. This transformation demands professionals who are not only technically competent but also adaptable, analytical, and industry-aware.

In India, where agriculture continues to influence economic stability and livelihoods, the role of future-ready agribusiness and food sector leaders is especially significant. Recognizing this reality, ISAB has built an ecosystem that prioritizes employability, practical exposure, and corporate relevance.

Our academic structure integrates industry expectations with modern skill development. Students benefit from extensive corporate engagement through expos, trade fairs, and interactions with business leaders. Structured placement preparation, spanning over 500 hours, strengthens aptitude, communication, analytical thinking, and emerging domain knowledge, including Business Analytics, Digital Marketing, AI & ML, and corporate life skills.

Complementing classroom learning, stipend-based internships provide hands-on industry experience. Over the years, ISAB has cultivated a strong recruiter network, ensuring consistent placement assistance for eligible students across Food & Agribusiness and allied sectors.

At ISAB, our commitment extends beyond placements, we strive to develop capable professionals prepared to contribute meaningfully to organizations, industries, and society.

MR. SAURABH V. PANDEY

BSc Ag, GBPUA&T Pantnagar,
PGP ABM, IIM Ahmedabad

FROM THE CHAIRMAN

It gives me immense pleasure to welcome you to ISAB Greater Noida, an institution dedicated to developing high-impact leaders in Food and Agribusiness Management through innovation, industry-driven learning, and ethical leadership. With over three decades of experience across leading corporates and academic institutions, I have witnessed how the right ecosystem transforms potential into performance. At ISAB Greater Noida, we focus on building not only careers but capabilities that sustain long-term success.

Our programs are designed to align closely with evolving industry needs, ensuring students graduate with practical competence, strategic thinking, and corporate-ready confidence. Students benefit from intensive placement preparation, personalized mentoring, corporate interactions, live projects, and global exposure initiatives that enhance employability and professional maturity. We take pride in our distinguished faculty and strong recruiter relationships, which have enabled consistent placement outcomes. This year, we celebrate a significant milestone with 130+ successful placements, partnerships with 50+ recruiters, and international opportunities including a sponsored boot camp in Dubai focused on Agritech and Business Innovation.

ISAB Greater Noida stands as a testament to the transformative journey of growth, excellence, and leadership. We invite you to join this journey and become a part of our success story.

DR. PRADYUMNA PANDEY

Renowned HR professional having 30+ yrs of experience in Mother Dairy, ACC, JK Tyre , Hero Group

FROM THE PLACEMENT SECRETARY

At ISAB, our mission is to bridge the gap between academic learning and industry expectations. We take immense pride in nurturing talent that not only excels in knowledge but also embodies the growth mindset and positive outlook essential to succeed in today's dynamic corporate environment.

Our curriculum is designed to go beyond traditional education. Experiential learning lies at the heart of the ISAB journey. Through guest lectures by seasoned industry professionals, hands-on involvement in live industrial projects, and active participation in Agri events, our students gain valuable real-world exposure. These opportunities ensure that our graduates are not just job-ready, but future-ready.

We are deeply grateful to our long-standing recruiters for their continued trust in the ISAB community. Your belief in our students reaffirms the impact of our program.

To our new recruiters, we extend a warm welcome and look forward to forging strong, enduring partnerships built on shared success and mutual growth. Thank you for being an integral part of our journey.

VOTE OF THANKS

We, the Placement Cell of the 2024-26 batch, take this opportunity to express our heartfelt gratitude to all the esteemed recruiters for believing in our students and welcoming our intern into your esteemed organization.

We truly believe that internships play a pivotal role in shaping the careers of aspiring professionals. Your organization's dedication to creating a positive and enriching learning environment is truly admirable. The real-world exposure and professional challenges provided to our intern will not only strengthen their skillset but also boost their confidence as they prepare to enter the industry.

We are proud to collaborate with organizations like yours that recognize the value of nurturing young talent. Your support has made a significant impact on our journey, and we look forward to building and strengthening this relationship in the coming years.

We would also take this opportunity to express our sincere gratitude to the Founder, Chairman, Chairperson-Placements & Head-Academics, as well as the entire faculty, campus management, Alumni and our batchmates, for their dedicated efforts, guidance, and constant support throughout the internship drive. Your contributions have been crucial in making this journey successful and meaningful.

Together, we aim to continue empowering students with valuable opportunities and building a legacy of professional excellence.

Thank you once again for your trust and partnership.
